## YOUR HAWKEYE EXPERIENCE

What does YOUR “Hawkeye Experience” look like? We often get asked what a typical Hawkeye Experience looks like. The only real answer to that question is “it’s whatever you want it to be”. We have so many potential combinations to fill your time here and we love helping guests custom design an outing that suits any group from beginners to the most experienced upland wing shooters.

Many groups start out with clay shooting upon arrival followed by cocktails and dinner. Mixed bird hunts in the morning and afternoon each day is a popular option as well, however,

some groups prefer to throw in a tower shoot or chukar cannon event in place of a mixed bird hunt for a more relaxed day. Often times corporate groups will opt for a sporting clays course activity or tower shoot when extra time is needed in the afternoon for a conference. Of course, we serve meals, snacks, and offer full bar service to keep everyone refreshed and ready for whatever your Hawkeye Experience has in store.

## Houston Safari Club Expo

Hawkeye was once again proud to be an exhibitor at the Houston Safari Club Foundation Hunting Expo January 20<sup>th</sup>-22<sup>nd</sup>. We were happy to see so many familiar faces come by and visit. Also, we want to thank all of our new friends who stopped by the booth to say hi, book a stay, and add your name to our contact list.

While we know most of you just wanted to pet June (our newest puppy) and say hi to Nash (the seasoned retriever), we were very thankful to have the opportunity to meet and greet all of you.

If you have never been to a Safari Club Expo, please make plans to attend next year's event. There is so much to see for the whole family, and you can count on Hawkeye to be there again shamelessly luring everyone into our booth to pet all the dogs!
