THANK YOU FOR A GREAT 2022!

We are off to a great and busy start to our 2022-23 season. We are very thankful to have been so busy in 2022. It has been good to see so many familiar faces and to welcome a lot of new friends that we hope will be familiar faces next season.

The downside of this, of course, is that we have regrettably been too full to get everyone the dates they wanted or needed for their group outings. For all of you that we could not squeeze in this season so far, please know we would love to have you in the first part of the new year.

We still have some dates available in January, February, and March and we would love to accommodate all of you who couldn't make it earlier in the season.

These dates go fast once the holidays are over, so please make that resolution to reserve your trip to Hawkeye soon.

2023 HUNTS AVAILABLE

We have a good selection of dates available in January and February for groups and day hunts. Get your reservations on the books soon as these dates fill up fast after the holidays.

PUPPIES!

We just got new puppies! There's no better gift for Christmas. See page 2 to meet the newest Hawkeye pups.

PLAN FOR SPRING AND SUMMER STAYS

It's never too early to start planning your spring and summer stays at Hawkeye. Our vacation rental slots fill up very quickly, especially those holiday weekends. Call today to reserve a lodge for your family's warm season getaway.

Happy New Year!

As we look back on 2022 here at Hawkeye, we are so thankful to all of you who have helped us make the last year so memorable. We were fortunate to see many of the upgrades, projects, and additions that we have been working on for a few years now come to fruition over the last 12 months.

We added new staff, a new office and store, made numerous upgrades to our lodges, and added 9 new dogs to our kennel. More importantly, we added a great group of new guests to our roster and got to see a few old friends that we missed in 2021.

This year we hope to continue to earn your business and we look forward to showing you all the great things we have in store for 2023. From all of us at Hawkeye, Happy New Year!

Skeet Range and Wobble Trap

This is another of Hawkeye’s great ways to spend time with your guests and prep for your hunt. As you move through 8 stations you will shoot 25 rounds at varying angles from the high house and low house target throwers. At this same location, we also have a wobble trap that throws targets at a constantly variable trajectory simulating flushing birds to test your skills.

BY THE NUMBERS:

Puppies for Christmas –

01

Jack – this beautiful English pointer is ready to hunt, and you’ll see him in the field this season.

02

Archie – Archie is just starting training here and will be on the ground hunting next season.

03

June – A great addition to our flushing dog line-up, she will be ready to go for 2023/24.

04

Mack & Bishop – These Lab brothers will be hunting by fall of 2023.
