SPRING IS HERE

With warm weather and spring rains upon us, we say goodbye to another great hunting season at Hawkeye. We have had a great time with all of you who joined us for your upland and whitetail adventures this season.

We would like to encourage all our guests who are interested in a visit next season to take some time and check your calendars for fall. If you haven't already reserved, please give us a call now to ensure you get the preferred dates for your group during the 2023-24 season. In fact, it has become customary for many of our groups to reserve dates for

their next visits during their current stay to secure dates that work for everyone.

We at Hawkeye are working hard to expand capacity for more groups, and we want to be sure that each and every one of you that wants to hunt with us can do so. Please let us know if we can help you plan in advance for your next outing.

*****Like/Follow us on social media for Spring and Summer updates!*****

SPRING TO-DO'S

Hunting season may be over, but outdoor activities are still in full swing at Hawkeye. Our overnight guests can enjoy a variety of activities. Fishing is always free of charge, so bring your poles. Range time can also be reserved prior to your stay.

OPEN DATES

We currently have open dates, including limited weekends, for April and May. Call now to reserve your Hawkeye getaway before the summer rush.

SUMMER VACATION STAYS

Our summer calendar is filling up fast and we are happy to see so many familiar names on our reservation list. We have limited availability for summer so if you have flexible dates and want to join us, call to set up your stay today.

Hawkeye Office: 936-598-1000

Spring and Summer Activities

Now that our hunting season is officially closed, we are focusing on preparing the property for spring and summer guests. Aside from enjoying nature and our beautiful lodges, warm season guests at Hawkeye can enjoy a variety of outdoor activities. From fishing our well-stocked lakes, to shooting at one of our 3 shotgun ranges or our rifle range, to just hanging out by the pool after a nice walk around our wooded property, there is something here at Hawkeye for everyone all year long.

We have shotguns available for rental as well, and we are fortunate to have guides that specialize in shotgun instruction who can assist new and intermediate shooters upon request. Remember to book your shooting sports activities in advance of your arrival to ensure availability.

HAWKEYE HUNTING CLUB

Up to Our Axles in Field Maintenance

*As we hurry to complete field work, mulching, and seeding in between much needed spring rains, we often accidentally find unexpected time to reflect. We have big plans for next season and are grooming our fields with plans to add a couple new fields and, with any luck and some good rain, even better cover. We are **stuck** on maintaining well-kept fields that are pleasant to walk, hold birds tight, and won't **bog you down** in briars!*

BY THE NUMBERS:

Tips to stay ready for hunting season all year long.

01

Maintain all equipment. Clean/oil guns and check periodically to prevent rust and corrosion.

02

Practice makes perfect. Target shooting will keep skills sharp – Hawkeye has 4 ranges open all year to help.

03

Stay in shape. Big game and upland hunts mean walking. Walk outdoors often. Bring a bird dog!

04

PLAN/BOOK YOUR HUNTS EARLY. Don't miss out on your preferred hunt dates.
