A NEW TRADITION

A tradition is defined as something that is passed on from generation to generation. Here at Hawkeye, we are starting a new tradition, hunting with English Cocker Spaniels. With a lineage tracing back more than 500 years and even meriting a mention in Chaucer's, *The Canterbury Tales*, spaniels are not new to the hunting field. Watching these handsome dogs hunt is almost hypnotic. Their ability to quarter in a distinctive figure-eight pattern on a driven hunt or standing stoic and waiting for hunters to shoot pointed birds makes them unique. As well as being bred to flush game from thick brush to waiting guns, cockers

have always been prized for their ability to retrieve fallen birds, using their sharp eyes, keen nose, and a willful disregard for their own safety in pursuit of downed game.

We would like to introduce Gage. He's two years old and comes to us from Muddy Oak Retrievers of St. Augustine, Texas. As our newest flushing dog, he's anxious to meet all of you as he gets into action along with our other flushing dogs this season.

SUMMER TO-DO

Hawkeye has plenty to do to keep guests busy during summer stays. We have a well-groomed & walkable sporting clays course, shaded 5-Stand clays, trap/skeet range, and a new rifle range. Or just relax by our pool with your family.

FISH ON!

Summer guests can enjoy catch and release fishing in our two well stocked ponds. Or, we can reserve a guided excursion on Toledo Bend Reservoir for you.

RESERVE YOUR UPLAND HUNTS!

We are excited to see so many early reservations for our upland bird season beginning in October. We encourage anyone who wants to reserve specific dates to contact us ASAP so we can hold your dates and secure your Hawkeye Experience for the upcoming season.

Hawkeye's New Rifle Range

We just finished construction of our new 700 yd rifle range. Overnight guests can now enjoy shooting their center-fire rifles or pistols at ranges of 25, 50, 100, 200, 300, 500, and 700 yards.

We have a shaded firing line, custom left- or right-handed benches with extra seating and table space for your entire group and all your gear.

There are steel gongs at each range from 50 to 700 yards and paper target hangers from 25 to 300 yards. Check your zero before a hunt, sight in your new set-up, or test your skill with some long-range steel shooting. Need a hand or have a new shooter? Our guides are always happy to provide advice and assistance to help you get dialed in and on target safely.

Welcome Outdoor Texas Camps!

Hawkeye is excited to welcome Outdoor Texas Camps beginning June 11th. Each week, expert instructors will teach a new group of young people how to safely and ethically enjoy the outdoor lifestyle we all know and love. This is the first summer Hawkeye will host these campers and we look forward to being a partner in this very important mission for years to come. For more information, please contact Peter Velasco at peter@outdoortexas camps.com.
